

Consultant Gets New School Post

A Canadian-born lady educator who has been written up in "Who's Who in American Education" has been named a curriculum consultant by the Torrance Unified School District.

Mrs. Mary Long, former curriculum assistant at the district's Educational Materials Building, has been appointed to the post formerly held by Mrs. Gertrude Aldershof. Mrs. Aldershof left the district this summer to make her home in El Cajon, Calif.

Affiliated with the Torrance Unified School District for the past 10 and one half years, Mrs. Long taught sixth grade at Seaside Elementary School prior to her E.M.B. assignment in 1960.

Vernitron Sales Hit New High

Both sales and earnings of Vernitron Corp. climbed to new record highs for the first six months of 1966, Bernard Levine, president, has announced.

Earnings before federal income taxes rose 73 per cent to \$530,279, compared to \$307,678 for the first half of 1965. Net income increased 70 per cent to \$270,279 or 42 cents a share for the first six months of the current year, up from \$159,678.

Sales advanced 76 per cent to \$4,636,000, compared to \$2,632,011 for the corresponding period a year earlier. The figures exclude a special charge in 1966 and a discontinued division in 1965.

Vernitron's three major divisions are all operating at record levels of sales and earnings, Levine said. The company produces servo components, precision metal components, digital products and medical electronic equipment.

Vernitron has plants in Torrance, Farmingdale, N.Y., and Prospect, Conn. During the past few months, the company has expanded its production facilities at all three plants, Levine said.

Fund Sought To Decorate CEUB Church

Rev. Walter M. Stanton, minister of Central Evangelical United Brethren Church, Marcelina at Arlington, will bring a special message on the meaning of the "Joash Chest," on Sunday at the 11 a.m. service.

Following the message, a Joash Chest offering for renovating the church interior and memorial offering for Charles A. McNeess will be received. The memorial offering will be used to further plans of Mr. McNeess to redecorate the church with paneled enclosures for the organ and new grill work for the organ chamber.

Sunday afternoon from 2 to 4 "Open House" will be held at the parsonage, 2076 W. 230th St., to enable the members of the congregation and their friends to view the painting and redecoration made possible by the men of the church.

Sunday evening at 6:30, a special program will be presented by George Winters who will feature a film entitled "Let God Control Your Car." All interested persons are invited to view this film.

Navy Seaman Rets. William V. Phipps, son of Mr. and Mrs. William E. Phipps of 3306 Raintree Ave., and James E. Stoneberg, son of Mr. and Mrs. John D. Stoneberg of 606 Acacia St., are undergoing nine weeks of basic training at the Navy Training Center at San Diego.

AT CONFERENCE

Representing Torrance Unified School District at a cooperative school program personnel conference in Santa Ynez last weekend was Mrs. Martha Leedy, special services consultant.

Following the conference, she is attending a graduate course for teachers on how to teach science at UCLA.
